

## ***University Open Houses – Finding Dates***

Go to the eINFO website - <http://www.electronicinfo.ca>

Click on "further information" (on the top part of the page)

Click on "campus visits" (on the left hand side of the page)

Choose a university from the drop down box.

You will get information on how to book campus tours, as well as dates for special "fall preview days" or "open houses" or march break "events or open houses" ... it is all right there with links for registration or contact numbers ... whatever you want.
