

THE ONTARIO HOCKEY FEDERATION BURSARY PROGRAM

The OHF Bursary Program was introduced in 1997 to recognize and reward dedication in education and hockey. The program provides financial assistance to registered OHF participants to offset the cost of post-secondary education. In the past 12 years, the OHF has distributed more than \$155,000 to over 170 post secondary students.

Each year, the OHF awards bursaries to outstanding young people who display an incredible amount of commitment both at the arena and in the classroom. The bursary recipients are determined on the basis of academic achievements, hockey involvement and community involvement.
