

The Talk About Canada™ Scholarship Quiz

This program is unlike any other scholarship program - the application form is, essentially, an interesting on-line quiz which is designed to teach students some things they should know about Canada. Any student who will be attending a post-secondary institution next year, who is a Canadian citizen or has Permanent Residence status, is eligible and stands as good a chance as anyone to win. Last year they had over 20,000 students participate.

The Seventh Talk About Canada!™ Scholarship Quiz will be on the internet January 19th to March 23, 2009.

To win the scholarships (1-\$5000 prize, 20-\$1000 prizes, 40-\$500 prizes) students must correctly answer fifty multiple-choice questions about Canada.
